Thank you for your inquiry about our China Tours.

"How can this be a quality tour package when the price is so reasonable"? The answer is simple:

- First you are buying at the wholesale price, not with a middle person or another layer of retailer. You save approximately 15% right there.
- We do not produce brochures because they are expensive and are usually out of date by the time they are printed.
- We use \$200 ads instead of \$2000 ads.
- And finally we do not take credit cards because this would add another 4% to 7% to your total cost.

All these savings are reflected in the total price of our tours.

Our office is located in Victoria, British Columbia, from which we produce tours drawing customers from all over Canada and the United States. We are experienced, we know what we sell you and we sometimes go with you. We are a western company, meeting the expectations of western travelers. Make sure you check our client comment page on our website: <http://www.PacificRimTravel.com/frequently-asked-questions/>

The accommodations are all western style, minimum 3 to 5 star government rated and approved tourist hotels and boats. The hotel rooms have two standard double beds and a private western bathroom.

Our tours are casual and informal. There is no reason to bring a jacket and tie, or dress apparel for women unless you are dressing for personal comfort. The less you take the happier you will be and the less you will have to carry. You are there to have fun as well as see China.

Lunches and dinners are served at large round tables with a Lazy-Susan in the middle; meals reflect the local area you are in: meat, potatoes, rice, fish, vegetables and soups. Breakfasts are western style: bacon/ham/sausages, eggs, toast, croissants, etc. and are usually presented buffet style.

Most of our sales are done by phone or email. **If you live in Victoria and wish to meet with one of us at the office you must make an appointment first.**

We are registered, licensed, and regulated by the Province of British Columbia under the Business Practice and Consumer Protection Authority. Their telephone number is (604) 320 1667. Our Registration number is 25952.

Detailed information about cost, departure dates and day by day itineraries for each one of our tours can be found on our website: www.PacificRimTravel.com.

We look forward to answering all of your questions and having you on one of our tours.
